

WHO WE ARE

We, Stallion On Demand Labor Supply LLC was founded in 1996 to provide qualified and capable manpower to the growing construction, Industrial and Ship repair Industries in the UAE. After seeing and studying the potential and demand for various categories of workforce, we rapidly expanded our operations and services to offer workforce solutions ranging across all industries to fill the gap for the lack of supply and shortage of manpower. The vision of the UAE leadership and the significant development over the last twenty-five years has largely contributed to our growth. We have over 1,700 blue and white-collar employees that are currently deployed on short and long-term contracts with clients in all industries in the UAE and neighboring GCC countries. We are Approved and Authorized by the Ministry of Human Resources and Emiratization, UAE and licensed by Department of Economic Development to carry out the business of On Demand Labor Supply (Temporary Employment) all over the UAE.

OUR APPROACH

Temporary/Contract Staffing & Recruitment Solutions

Through a robust screening and selection process for hiring personnel, we provide our clients with technically qualified skilled workers that are trained to work in a host of different environments. Our employees undergo regular training at our facilities to upgrade their skills to keep pace with the advancements in the above industries.

Construction, Industrial and Ship repair Industries

Our HR team follows an efficient recruiting process to work with the clients to understand the precise details of job requirements, the culture of the organization, and the technical and soft skills that a person must possess to meet all the criteria of the client. We then provide the client with the appropriate personnel to support and fulfil long-term business goals or supplement the hiring for project-based or temporary staffing needs.
